

Breakfast Grab & Go

We are happy to announce that we will be offering a free grab and go breakfast. Bags will consist of cereal, juice and a milk for each day. When students are in school on Mondays upon dismissal, they will be given a breakfast bag that contains four breakfast meals to take home for the week. On Fridays upon dismissal, when they are in school they will be given a grab & go bag for the next week when they are learning remotely these meals are not intended to be eaten during their school day; this includes the bus ride home. Students are expected to bring their Grab & Go's home to enjoy them for breakfast during the week before they come to school. To enjoy these grab & go's you need to email roach@shawtech.org the Fridays before the Mondays pick up.
