

WELLNESS MEETING MINUTES

NOVEMBER 13,2017

Attendees: Terri Romkey, Bob Roach, Patti Noonan

The consensus was that the implemented Competitive Food policy went very well. Some of the concerns of some students are expressed in email from an academic teacher Civil Literacy class.(I have included in attachment)

New Business:

Bob Roach reports students that are on Free and Reduced Lunch are not taking advantage of breakfast.

- Trying to find methods of communication that we can remind those eligible to take advantage
- Also looking for a way to utilize break time for breakfast foods under Free and reduced lunch program

Potential Initiatives

- Rising issue with vaping in shops and academics
- Marijuana use as well
- Expanding on policy for substance abuse and in school curriculum

Next meeting: TBD
