Dear Shawsheen Tech Parent/Guardian:

We will be offering a grab and go breakfast and lunch to students who currently receive free and reduced breakfast/lunch from Shawsheen Valley Regional Vocational Technical School District and who are attending school remotely. The grab and go meals will be available for pick up between 11 a.m. and 12 noon, Monday, Wednesday and Friday. You will be able to pick them up at the cafeteria entrance in the back of the school starting Monday, September 21st. The lunches will consist of a sandwich, chips, fruit and a bottle of water. You will also be given a breakfast kit for the next day.

We ask that you notify me via e-mail at rroach@shawtech.org by 2 p.m. the day before the scheduled pick up so we can ensure all food is made fresh every morning and that we have enough on hand. Orders placed for Monday, September 21st must be submitted before 2 p.m. on Sunday, September 20th. Please include any dietary restrictions.

For everyone's protection, our food service employees will be wearing personal protection wear when they deliver the grab and go's to your car. We ask you to please remain in your car in order to adhere to the social distance recommendation. You will be asked the student's name upon which time you will be given the grab and go.

Sincerely,

Robert Roach
School Nutrition Director
